

# TERRY LEEDS

Infographics • Illustration • Graphic Design

## SUMMARY OF QUALIFICATIONS

- **Creative.** Well-versed in planning and creating client-based graphic design products on point and on time. Savvy with CC/CS6, Carrara, Poser, and other applications as well as traditional art media.  
As an Artist or Art Director, I have been involved in the entire creative process (from planning through production) on many different types of projects; exhibit displays, banners, murals, multimedia products, illustrations, posters, logo design, invitations and save-the-date cards, brochures, flyers, 3D concepts, scaled planning diagrams, publication covers and layout, vehicle wraps, floor and wall decals, board game components, graphics for iTunes Apps, and others.
- **Team Player and leader.** Adept at working with others toward a common goal. Comfortable leading a team or working alone.
- **Effective Communicator.** Extensive experience researching, preparing, and presenting information, both verbally and graphically, to a wide range of audiences.
- **Proactive Planner.** Proven record of effectively organizing resources and priorities in a multi-task environment.
